

Designed to be practical and functional

The IP41 British standard metal consumer units are designed to meet the needs of residential and small commercial buildings installations. They can be also used in hotels to equip rooms for example.

9 SIZES OF READY-TO-USE CONSUMER UNITS

Single-phase + neutral 3-phase + neutral

The same cabinet can be flush or surface mounted (easier choice and only few catalogue numbers to store)

Flush-mounting British standard consumer units

4 025 08

4 025 15

Allows to achieve assemblies conform to IEC 61439-3

| Pack | Cat.Nos | Flush mounting boxes | | | |
|------|----------|--|-------------------|--------------------------|------------------------------|
