

Gulf Type Examination Certificate

Type Certificate Number: CN-GSOG-20190626R2

Certificate Expiry Date: 28 April 2024

See Certificate Revision / Renewal History in Annex 1

Notified Body 0012 certifies that this Electrical Equipment has been found to comply with the essential requirements of the safety objectives and the requirements of the electromagnetic compatibility of the Gulf Technical Regulation on Low Voltage Electrical Equipment and Appliances BD-142004-01 list (2) subjected to the Conformity Assessment Procedure set out in Annex (4).

Applicant:	Legrand Intelligent Electrical (Huizhou) Co., Ltd. Bldg. B1-B3, East No.39 Hechang 6th Rd., HZZK Hitech Industrial Development Zone, Huizhou, Guangdong, P.R.China
Manufacturer:	LEGRAND FRANCE 128, Avenue du Maréchal de Lattre de Tassigny 87045 LIMOGES Cedex-FRANCE
Manufacturing Location:	Same as applicant
Country of Origin:	P.R.China
Product:	Switched socket-outlet (Flush type)
Brand:	legrand
Model / Type Ref:	See Annex 1 of this Gulf Type Examination Certificate
Technical Data / Ratings:	See Annex 1 of this Gulf Type Examination Certificate
Product Complies with Standards:	IEC 60884-2-3:2006, IEC 60884-1:2002 + A1:2006+A2:2013 BS 1363-2:2016+A1:2018, SASO 2203:2018
Evaluation or Test Report(s):	201201722SHA-001: 20 April 2021
National Deviations Checked:	Kingdom of Saudi Arabia, United Arab Emirates, Sultanate of Oman, Kingdom of Bahrain, State of Qatar, Republic of Yemen, State of Kuwait. Type and shape of the socket-outlet: G
Limitations:	None
Issuing Notified Body No:	0012

Signature

Gary Hu

Certification Officer

Issue Date: 28 April 2021

This certificate:

- applies only to the product(s) submitted and as detailed in the Technical Construction File (TCF).
- does not imply that the Notified Body has performed any surveillance or control of the manufacture(s).
- replaces certificate CN-GSOG-20190626R1 dated 30th July 2020. The new certificate has been issued due to: add new models, update applicant and factory's name, renew.
- see Certificate Revision / Renewal History in Annex 1.

This Certificate is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate. Only the Client is authorized to permit copying or distribution of this Certificate. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The observations and test/inspection results referenced in this Certificate are relevant only to the sample tested/inspected. This Certificate by itself does not imply that the material, product, or service is or has ever been under an Intertek certification program.

Annex 1 to Gulf Type Examination Certificate: CN-GSOG-20190626R2
Notified Body: 0012

The manufacturer(s):

- shall ensure the manufacturing process assures compliance of production of the examined products covered by this certificate.
- shall inform the Notified Body of any modifications made to the examined product; this may lead to additional approval work resulting in cancellation, amendment and/or reissuance of this Gulf Type Examination Certificate.

List of the Gulf Type Examination technical documentation prepared by the manufacturer which is retained by the Notified Body in the Technical Construction File (TCF):

- Trade mark, model or reference of the equipment
- General description and operation of the equipment
- Leaflet, use instructions, copy of warnings
- Detailed description with conceptual design and manufacturing drawings, including:
- List of components, materials, sub-assemblies and circuits
- Explanations necessary for the understanding of the above
- Address of place(s) of manufacturer & storage
- List of the Gulf standards, if any, applied in full or in part, and descriptions of the solutions adopted to meet the essential requirements of the regulation where the Gulf standards have not been fully applied (risk assessment, proposed solutions)
- Results of design calculations made, examinations carried out, etc.
- Test reports or test certificates from in-house laboratory belonging to the manufacturer, if any
- Documentation of the solutions adopted by the manufacturer to ensure conformity of the production with the product specified in this certificate
- Description of the conformity assessment procedure followed

Certificate Revision History Table:

Certificate No.	Certificate Revision History	Issue Date	Expiry Date
CN-GSOG-20190626	Certificate Initial Issue	25 November 2019	25 November 2022
CN-GSOG-20190626R1	Certificate Revision Issue: standard update	30 July 2020	25 November 2022
CN-GSOG-20190626R2	Certificate Revision Issue: add models, update the name of applicant and factory, renew	28 April 2021	28 April 2024

Additional Information:

Model / Type Ref:

6 176 48, 6 177 48, 6 178 48, 281117MW, 281117MG, 281117MB, 281117DS, 281117CH, 281117DB, 281117BA, 281117BB, 281119MW, 281119MG, 281119MB, 281119DS, 281119CH, 281119DB, 281119BA, 281119BB

Technical Data / Ratings:

13A 250V~, flush type, IP20, Class I, rewirable, with screw-type terminals, with 2 gang switched socket outlets comply with type G (configuration of BS 1363-2), with shutters, with one double pole switch for each socket-outlet, with plastic cover plate or plastic lining combined with metal sheet cover plate, with or without metal frame, with or without indicator lamp.

Total 19 models:

6 176 48: with white front cover and plastic white cover plate, without metal frame;

6 177 48: with dark front cover and plastic dark cover plate, without metal frame;

6 178 48: with ivory front cover and plastic ivory cover plate, without metal frame;

281117MW: with dark front cover and matt white plastic cover plate, with metal frame;

281117MG: with dark front cover and matt grey plastic cover plate, with metal frame;

281117MB: with dark front cover and matt black plastic cover plate, with metal frame;

281117DS: with dark front cover and dark silver plastic cover plate, with metal frame;

281117CH: with dark front cover and champagne plastic cover plate, with metal frame;

281117DB: with dark front cover and dark bronze plastic cover plate, with metal frame;

281117BA: with dark front cover and plastic lining combined with brushed aluminium metal sheet cover plate, with metal frame;

281117BB: with dark front cover and plastic lining combined with brushed black metal sheet cover plate, with metal frame;

281119MW: with dark front cover and matt white plastic cover plate, with metal frame, with indicator lamp;

281119MG: with dark front cover and matt grey plastic cover plate, with metal frame, with indicator lamp;

281119MB: with dark front cover and matt black plastic cover plate, with metal frame, with indicator lamp;

281119DS: with dark front cover and dark silver plastic cover plate, with metal frame, with indicator lamp;

281119CH: with dark front cover and champagne plastic cover plate, with metal frame, with indicator lamp;

281119DB: with dark front cover and dark bronze plastic cover plate, with metal frame, with indicator lamp;

281119BA: with dark front cover and plastic lining combined with brushed aluminium metal sheet cover plate, with metal frame, with indicator lamp;

281119BB: with dark front cover and plastic lining combined with brushed black metal sheet cover plate, with metal frame, with indicator lamp.
