For completing your UX One installation, require prior installation of a "with Netatmo" connected gateway pack (p. 606) for Arteor with Netatmo light switches (Zigbee 3.0) or lighting micromodules

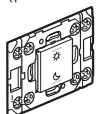

Supplied with repositionable adhesive pads for fixing the switch to any support, can also be installed in a multi-gang configuration

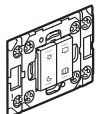

Extra-slim standalone switches

Zigbee 3.0 compatible

Products available from a connected Authorised Dealer
