

# EASYKITS for individual housing

2-wire

Selection chart **p. 845**

EASYKIT 2-wires offer for renovation of single and 2-family houses. The video door entry kits include:  
 - 7" colour screen used to answer the call, open up to 2 locks, have intercom calls and see who is outside  
 - Metal entrance panel equipped with a rainshield, wide-angle camera, LED for night vision and backlight of the 2 call buttons  
 - Power supply  
 The kit can be expanded up to 6 indoor units (3 per apartment) and up to 2 entrance panels  
 An external CCTV colour camera can be directly connected to the entrance panel
