

 PRODUCT TECHNICAL DATA SHEET		
Lyncus™	Ref . No. : 677282	
20A Modular MCB SP 1M C curve	Date : 09/08/2019	Rev.1
		
1. Use Overload and short circuit protection		
2.Type Number of Pole - single pole characteristics - C curve No. of modules : 1 Colour : White only Mounting : Flush and Surface - mounted		
3.OVERALL DIMENSIONS Width : 22.5 mm Height : 45 mm Depth : 41 mm Weight (g) : 58		
4.CONNECTION Terminal : with screws Capacity : 1.5mm ² to 6mm ² Screwdriver : 4mm flat-blade up to 5 mm		
5.OPERATION Switch with Dolly (Knob)		
6.TECHNICAL CHARACTERISTICS 6.1 Material Characteristics Dolly (Knbb) : Nylon +30% glass field Bottom Cover : PBT Top Cover :PBT plate : Polycarbonate Screws : Brass with silver plating Terminal : Brass with silver plating 6.2 Electricals Characteristics Voltage :240V AC Current : 20A Short Circuit Capacity - 1.5KA 6.3 Marking Rating ,Voltage , Short circuit capacity, ON-OFF indication ,Connection diagram, Manufacturing country ,traceability and ISI Marking		
7.CONFORMITY - APPROVALS As per IS : 60898-1:2002
